## COVERAGE DETAILS

The Otani Road Hazard Warranty provides protection for Otani TBR tyres against unforeseen damage caused by road hazards. If a tyre sustains damage under normal driving conditions, it may qualify for a pro-rata refund based on the original purchase price.

## ELIGIBLE ROAD HAZARD DAMAGE

This warranty covers damage caused by:

- Cuts, unrepairable punctures, snags, and bruises
- Impact from potholes, curbs, or road debris

## Eligibility Criteria

- Applicable to all Otani TBR tyres from 2025 production
- Valid for two years from the date of purchase or until 50% tread wear, whichever occurs first
- Effective April 1, 2025
