

SMART Flex AH51

Steer axle tire delivering premium performance in all conditions during the tire's long lifespan

SMARTEC
 HANKOOK TBR TECHNOLOGY

3D Sipe

Full depth 3D sipes deliver excellent mileage and traction throughout the tire's lifespan due to reinforced interlocking tread blocks.

Hidden Groove

These hidden grooves appear as the tire wears. This creates new water channels and gripping surfaces, giving better wet grip traction.

Optimized Block Size

Wide tread blocks enhance the tire's rigidity and improve the mileage while delivering a low rolling resistance.

Sizes & Specifications (Pattern Code: AH51)

S-Code	Size	Ply Rating	Type	Measuring Rim	Max. Air (PSI)		Max. Load (LBS)		Overall Diameter	Section Width	Tread Width	Tread Depth	Revs/Mile	SLR (Inch)	Max Speed	Weight (lbs)
